### **How It Works:**

**Pay ₹5700:**

**This is your entry Booking fee into the program, where you get:**

**A ₹5000 worth digital watch.**

**₹2000 worth GBK Coins in your wallet, which you can use or invest in our platform.**

**Access to exclusive trips (Goa and Bangkok) and referral income opportunities.**

## The Referral Process:

Once you pay ₹5700, you become eligible to refer 5 people.

Refer 5 people who also pay ₹5700 each, and you'll complete your 1st level and get the Goa trip including:

Flight tickets, Accommodation, Food (during the trip).

As your downline continues referring more people, you continue earning GBK coins and move up through different levels (leading to more rewards).

## The Levels Explained:

**1st Level:**

When you refer 5 people, you complete your 1st level and receive the Goa Trip with flight tickets, accommodation, and meals.

**2nd Level:**

The next level involves your 5 referrals referring 5 more people each. When they complete their 1st level, you will continue earning more GBK coins.

#### **4th Level:**

**After completing 3 more levels (with your referrals referring more people), you'll be eligible for the Bangkok trip! You'll also continue to receive passive income from GBK coins.**

#### **Earnings Through GBK Coins:**

**Monthly GBK Coin Rewards: Every month, you will earn a certain amount of GBK coins. These coins are credited directly to your wallet and can be used for future investments, rewards, or even exchanged.**

#### **Referral Income:**

**Each time your referrals join and complete their levels, you earn more GBK coins. The larger your network grows, the more you earn!**

#### **How to Earn:**

**Direct Referrals: By referring new members who pay ₹5700, you directly benefit from their purchases and expand your earning potential.**

**Indirect Referrals: As your 5 referrals refer 5 more people, you continue to earn GBK coins and unlock higher rewards.**

## What You Get:

### **₹5000 Digital Watch:**

**The moment you join and pay ₹5700, you will receive a digital watch worth ₹5000, adding value to your investment.**

### **₹2000 GBK Coins:**

**These coins are instantly credited to your account and can be used within the platform. The coins also grow in value and help you earn even more over time.**

### **Goa Trip:**

**Once you refer 5 people and they complete their 1st level, you will receive an all-expenses-paid Goa trip (flight, food, and accommodation).**

### **Bangkok Trip:**

**After referring more people and advancing through the levels, you'll be rewarded with an all-expenses-paid trip to Bangkok in the 4th level!**
